Re: The Pythian Group Inc. v. TravelClick Inc., Index No. 21-cv-10012

Dear Judge Gardephe:

I represent the defendant and cross-claim plaintiff TravelClick, Inc. in the above-referenced matter. I write jointly with counsel for plaintiff The Pythian Group Inc. pursuant to Your Honor's Individual Rules of Practice in Civil Cases, Rule I.E, to respectfully request a further adjournment of the initial conference, which is currently scheduled to take place on June 16, 2022.

The parties seek an additional short adjournment of the initial conference to a date in late-June or early July— potentially either June 30 or July 14 – that is convenient for the Court, in order to allow the parties to continue with settlement negotiations that they have been engaged with since participating in a private mediation on May 26, 2022. The parties are hopeful that they will be able to resolve this dispute without the need to engage in litigation, and thus seek this adjournment to conserve the resources of the parties and the Court.

This is the parties' third request for an adjournment of the initial conference; on March 3rd, this Court granted the parties' request to adjourn the initial conference from March 10 to May 5, 2022, and on April 27th, this Court granted the parties' request to adjourn the conference from May 5 to June 16, 2022. While the parties have submitted their joint letter and proposed case management order, and thus some revisions to those proposed dates will need to be made, the requested extension will not impact any court-ordered discovery deadlines. We note that plaintiff's counsel reviewed this letter prior to its submission to the Court.

We thank the Court for its attention to this matter.

Respectfully submitted,

Melissa J. Godwin
